Like Exposure .... get Laurence working for you today!

**Damian Hickey**

, *Acting Creative Services Director - Operational Change Consultant, Exposure (colleague)*  
managed you

"I employed Laurence as a freelance Project Manager at Exposure to help run an integrated project. I found Laurence to be extremely professional. His knowledge reaches across most media both offline and online. He works on his own initiative from the first brief and draws on his wealth of experience. I look forward to working with Laurence again sometime in the near future." *March 26, 2009*
